Financial
Study Association
Groningen

Dear student,

Are you looking for a challenging and exciting time? Do you like organising amazing events together with fellow students? Do you want to develop yourself both socially and professionally? Then apply for one of the many committees of FSG!

FSG is the study association for financially interested students at the University of Groningen. FSG closes the gap between theory and practice, specifically in the areas of Accountancy & Controlling, Finance, International Financial Management and Management Accounting & Control. Participating in a committee within FSG will offer you the chance to develop yourself in different areas. First of all, you will get to know a lot of people who are also financially interested. Secondly, you will get in touch with interesting companies and maybe even your next employer.

In this brochure, you will find more information on the different committees within FSG. If you want some additional information, feel free to contact me or one of my fellow board members. Furthermore, you are welcome to drop by our office in the Duisenberg Building. We are always available to give you more information on what active membership within FSG is all about.

On behalf of the FSG Board 2025-2026,
